

Diaper Donations for Local Families

Did You Know:

A study by Harvard Center for the Developing Child's Frontiers of Innovation program found that low-income moms rate diapers as the number one relief item to receive in times of financial stress.

Did You Know:

The average cost per month for diapers for only one child is \$60.48 and the average child uses about 240 diapers per month.

Did You Know:

1 in 4 Inyo parents who use our Inyo Diaper Depot skip meals, choosing between buying food or buying diapers once a month if not more frequently.

Your support helps families wrestling with financial stress. Help babies grow healthier and safer by donating to First 5 Inyo's free diaper bank!

Diapers, wipes, and pull-ups in all sizes are appreciated, but we often run low in sizes 3, 4, 5 and wipes.

Donations can be dropped off at
568 W. Line Street, Bishop, CA 93514
