

FLU VACCINE is for FAMILIES!

Handwashing is the best way to reduce the chance of getting viruses like the flu

Receiving an annual Flu vaccination is an effective way for families to protect themselves from the flu.

Flu Mist is not available this year, but it is still important for adults and children to get a flu shot. The vaccine is available at local doctor's office and clinics, and adults can also get their shot from Bishop-area pharmacies. Most insurance, including Medi-Cal, cover the cost of vaccines.

Inyo County Health and Human Services Department also provides Flu Vaccine during our regular walk-in Clinic Hours at
207A West South St. in Bishop

Monday 1-4 PM

Wednesday 1-4 PM

For more information please call **760-873-7868** or **1-866-398-7134**

Flu vaccinations are \$7 for adults,
\$3 for children, unless VFC eligible.

No out-of-pocket expense for
Medi-Cal or MediCare patients.
