Our camps are still themed based with different activities each day . Tuesdays through Fridays, camp will end at the pool. Pick up each day will be at 4:30. Summer camps give children a safe place to be while staying active, being healthy and having fun making new friends! Cost of each child is \$120 for the week. Two snacks and water will be provided each day. Registration will open May 6th at the Youth Activities Expo at the Home Show.

**June 12—16th Outdoor Adventures Camp**— What's better than being in the great outdoors! We will join other outdoors groups to do some great projects and work in teams with fun games and activities. The children will get to enjoy fun in the sun!

**July 10—14 Stars and Stripes Gold Rush Camp**— Following our country's Independence Day, we will delve into the days of early America and the Gold Rush Days. Like the miners and early settlers, the children will do activities that will take them back to what it may have been like when it was stated " There's gold in them hills!"

**July 24—28 Pirate Adventure Camp**— Ahoy Matey! Lets get off this ship and find some treasure! The kids will enjoy following a treasure map on the quest for the treasure with clues to lead them to the Pirates Booty. They will have crafts to create their own pirate look. But watch out, they may find themselves walking the plank! This camp will end with an all mighty feast for our little pirates.
