LOCAL HISTORY

This six month event will take place in two parts: part one- August-October & part two- January-March and will take participants on a cultural exploration of Payahuunadu; leading them to be more knowledgeable of the numu people, and empowered to protect and enjoy our ancestral homelands. Participants will meet twice monthly and will explore such topics as: The Owen's Valley water conflict(s), The numu way of life, local historical points of interest, the numu language, and more. Participants will learn and study about each topic, and will then venture out for a field trip to gain practical hands on experience regarding each topic. Topics are subject to change.

SEASON OPENERS
