Story Stroll is part of Positive Parenting Awareness Month in Inyo County in January. Positive Parenting encourages families to spend time enjoying reading books together. Reading aloud to children at a young age can positively impact their brain development.

Positive Indian Parenting recognizes that the values also found in traditional legends and stories provides a foundation for raising a child well.

For the full list of classes, workshops, and activities + Story Stroll locations and featured stories, please visit: TeamInyo.com

For more information or questions call First 5 at 760-873-6453

At each Story Stroll location scan the QR code to share photos and be entered into a drawing.
